

*Fast Shoelace
Knot*

Annie Li

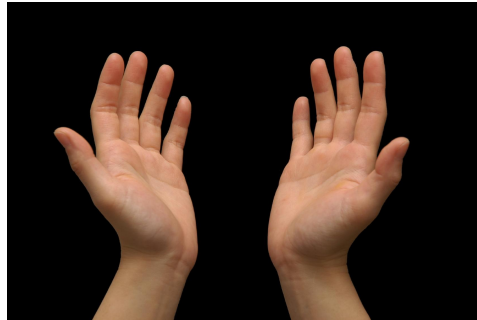

Materials

- A shoe with shoelaces

- Your hands

How to...

1. Take two shoelaces cross them together, loop one under and pull

2. Make both of your first two fingers to a 90 degree angle while holding the lace with the last three fingers

3. For your right hand, you turn inward

Continue...

4. For you left hand, you turn outward

5. Use your right thumb to grab the left lace in between the the thumb and index finger. At the sametime for your left index finger grab the right side lace.

6. Pull!!!

Standard Shoelace knot

Mega Ian Shoelace knot

Conclusion

What are other variations of this?
